8	UNITED STATES DISTRICT COURT
9	DISTRICT OF NEVADA
10	
11	JOSEPH CALABRESE,
12	Petitioner, 2:12-CV-00800-KJD-GWF
13	vs.) ORDER
14	ROBERT LEGRAND, et al.,
15	Respondents.)
16	
17	Before the Court is a petition for writ of habeas corpus transferred to this Court from the
18	Ninth Circuit Court of Appeals. The Circuit Court advises that no application to proceed in formation of Appeals.
19	pauperis was received and that the same will be required. Moreover, the petition is not on the prope
20	form and does not include the necessary information to allow the Court to review and assess the claim
21	alleged. Rather, it presents a list of "newly discovered evidence" which is, in fact, a list of allegation
22	of illegal or improper actions on the part of various public officials. Rather than dismiss the action
23	outright because of its form and content, the Court will direct the Clerk of Court to send petitioner the
24	proper form and instructions for pursuit of a § 2254 petition including an application for in forma
25	pauperis status.
26	IT IS THEREFORE ORDERED that the Clerk shall send to petitioner a set of form

1	and instructions for filing an application to proceed in <i>forma pauperis</i> and for a § 2254 petition, along
2	with a copy of his proposed petition. Petition shall have forty-five (45) days from entry of this Order
3	to resubmit his petition conforming it to the instructions provided with the petition form and answering
4	all questions for each ground for relief. Failure to follow the directives of this Court may result in
5	dismissal of this petition.
